Hi Della-

I'm hoping that you have also received the summons for Middlesex Superior Court on July 22, and I have a couple questions for you. Who was the primary chemist and who did the MS? I'm guessing I did the MS by the order of the initials, but I'm not sure. Second, do you know what the date of analysis is? Finally, would you mind emailing/faxing me a copy of the case file (whatever parts are in Boston) at your convenience so I can look it over ahead of time? Thanks.

-Sonja
